Sipradian Sahayata Sanstha

Sipradian Sahayata Sanstha (SSS) is a non-profit, non-governmental, and non-political social organization established in 2012. SSS aims to assist in the field of education by providing scholarships to the deserving and needy children as well as promote adult education in remote villages of Nepal. The organization is also dedicated to help and support senior citizens, orphans and differently - abled people by every possible means. It also provides emergency relief and rehabilitation for the victims of natural calamities and disasters.
